NORTH COTSWOLDS AWARDS

SPONSORED BY CONCIERGE MEDICAL

**Recognising outstanding businesses
and young entrepreneurs
across the region.**

There is now a business awards specifically designed for the excellent businesses located in North Cotswolds.

With award categories

Including Best Small Business, Best Retailer, Best New Business, Best Service and Pride of the Cotswolds, the awards celebrate all types of organisations in the area.

The business awards are based on a public vote, with the wider community invited to select the businesses they believe should be recognised.

And the Young Entrepreneurs Awards supports local students who are already showing signs that they are the commercial stars of tomorrow.

The background of the entire page is a dark, textured surface covered with numerous small, golden-yellow particles. These particles are scattered across the top and bottom sections, creating a sparkling, starry effect. A solid black horizontal band runs across the middle of the page, containing the text.
